

DEPARTMENT OF
EMERGENCY SERVICES

TRAINING ANNOUNCEMENT

Course Name: **Emergency Response to Domestic Biological Incidents**
(Operations Level)

Course Code: **04-01 BIOOPS** Date: **September 7th - 9th (3 days)**

Location: **Emergency Services Training and Operations Center (ETOC)**
3359 Broadway Ave. • Cheektowaga, NY 14227

Time: **8:30 am - 4:30 pm**

Course Description: The primary purpose of the Emergency Response to Domestic Biological Incidents course is to assist emergency responders and local government officials in developing a plan of action in dealing with future bioterrorist attacks through an understanding of what a biological attack is, what it can do, and how best to deal with its consequences. The objective of the course is to provide a balanced view of the risks and threats associated with a biological incident and to highlight some of the techniques currently being used to counter the problem.

Target Audience: HazMat • Law Enforcement • SWAT/EOD • EMS • Emergency Management • Fire Services • Public Health

Prerequisite: Successful completion of a WMD Awareness Course.

Course Length: 24 hours (3 days)

Certificate: DHS/LSU National Center for Biomedical Research and Training certificate.

Cost: All training and course materials are *free*.
